The Beach at Dream Downtown may not be a nature-made shoreline, but you won't mind one bit when dining poolside with their delicious Latin-inspired fare. Recently imported white sand, cabanas and a 550 square foot pool brings a beach oasis to the heart of Chelsea. A recent partnership with Kelvin Natural Slush Co. has expanded ways to cool down with customizable classic ginger slushes with fresh fruit purees like caramelized pineapple, white peach, [green](#)apple, and strawberry, as well as a choice of spirits to spike your summer drink for a sweet pairing with dishes like Chipotle Caesar Salad and Seared Tuna Tacos.
